Leon Davalos

Ever since Dario, the Great War of World Eresia ended, the Lands Between has been divided into four worlds, with the Eastern and Western Elden Lords running their respective operations in parallel. Dario has deposed the tyrannical ruler of one of the Eastern Elden Lords, bringing it's anarchical forces to a sudden halt. The Eastern Elden Lords wage war against each other, but Dario has also unleashed an Elden Demon onto the Lands Between to conceal his power behind a unspeakable demon servant.

Leon, in union with an army of power-wielding Elden Warriors, eventually starts a kingdom which he calls Tarnished. A peace treaty has been made, but inevitable war can be seen looming on the horizon.

Carissa Edomi

Carissa, a paladin loyal to Dario, stops a demon attack on the priestess Nisha. A fragment of divine power calling out to Carissa's sword Dungeon Warden contains the secret to ending Dario's plan to unleash the Elden Demon.

Using Dario's machinations against him, Carissa is framed as the Elden Demon and brought to justice for her crimes, which has rocked the Lands Between from within. The legendary Elden magic bestowed upon Nisha by the divine power is the key to defeating Dario in this war, and forces will be pressed to prevent the primal forces of the Lands Between from coming to life.
